

# Help Out on State Natural Areas

## Stauffacher Workday

**Get outside and help restore the Stauffacher unit!** Help cut and pile brush, and enjoy the beauty of this savanna and remnant prairie in the process. Lack of fire has allowed mesic tree species and brush to encroach on prairie and savanna here. Cut remaining brush and trees to encourage native prairie plants to fill in. No skills needed you will be trained onsite.

**Date:** February 7

**Time:** 9am-noon (or stay later if interested)

**Where:** Stauffacher Unit of Muralt State Natural Area. From Albany take Hwy 59 west about three miles to a small parking lot on the right across from Towns Rd.

**What to wear:** Dress for the weather and wear clothes that are OK to get beat up, long pants, long sleeves, gloves (we will have extra).

**Cancellation:** If the workday is cancelled due to weather conditions, a message will be left at 608-434-2488 at least two hours prior to the event. If there is no cancellation message, the workday will continue as scheduled.

**Contact:** If you are interested please contact Bridget Rathman at [bridget.rathman@wisconsin.gov](mailto:bridget.rathman@wisconsin.gov) or 608-434-2488 to receive notices about whether the activity will go as planned.
